

“Bello, Buono e Ben Fatto”

LARTE is much more than an ordinary Italian restaurant.

It is a lifestyle concept, an entertainment destination which brings together a restaurant, all day cafe, a trendy design-led mocktail, European coffee-and-chocolate bar, an art gallery, a cultural venue, an opportunity for an inspiring break during the day.

“

Living by the philosophy of the ‘bello, buono e ben fatto’, meaning ‘the beautiful, the good and the well-made’. Following the model example of simple and honest food culture.
