### DAY 1 ARRIVE KUTASI – TRANSFER TO BATUMI – CITY TOUR OF BATUMI

Upon Arrival Meet & Greet at Airport, transfer to Batumi takes about 3 hours. Check in in the hotel and Batumi city tour

Batumi – (duration 3-4 hours)

One of the oldest cities in Georgia: it is mentioned already in the 4th century BC. by Aristotle. Old Batumi is a real open-air museum, in which you can roam for hours admiring the old and modern architecture. A tour of Batumi begins with the historical part of the city, we will tell you the history of Georgia and the region. Next, we will visit the famous **Batumi Boulevard**, which is already more than 100 years old. Batumi Boulevard and his romantic atmosphere inspired Sergei Yesenin to create the famous poem “Shaganet, o my love, Shaganet!”. At our tour, you will also learn the history of lovers, whose history inspired the most romantic **statue of Ali and Nino**. We will visit the statue of the **lover of Jason, the Colchis Princess Medea, the Orthodox Church of St. Nicholas**, the Tower of the Georgian alphabet in the form of DNA, **dancing fountains** and much more. Overnight in Batumi

### DAY 2 BATUMI BOTANICAL GARDEN AND MAKHUNTSETI WATER FALL

You will have an unforgettable walk along the most picturesque gorge of **Adjara - Matchakhela: annormous mountains**, fast and furious mountain rivers, striking with its beauty, powerful waterfalls with fresh water and the color of Adjara. You will fall in love with this place. Enjoy the views of one of the most impressive **waterfalls of Makhuntseti**, walk across the bridge, which survived for 9 centuries till today! Feel the nature and touch the history!

**Batumi Botanical Garden**, which is allocated in 9 km from the city of Batumi, near the confluence of the Chaquestkali River and the Green Cape is one of the most spectacular places in Georgia. It is one of the largest and most rich botanical gardens in the world, it was built on 111 hectares and was founded in 1912. The garden includes the forest reserve of Colchis and many different floral landscapes. The botanical garden is the best place to relax in nature. There is no analogue in the world to this place, since there are species of plants originating from completely different climatic and landscape zones. Overnight in Batumi

### DAY 3 : PROMETHEUS AND MARTVILI CANYON

Prometheus Cave located in Tskaltubo municipality may regard as the visit card of Georgia. There are 22 halls found and 6 of them are opened for visitors. You can walk through the length of 1420 meters in the cave's territory visit the halls and enjoy boat tour by walking the river. Discover real masterpieces of nature – stalactites and stalagmites at **Prometheus cave**, which are most beautiful forms created by nature and don't forget about **hanging waterfalls** waiting for you.

**Martvili Canyon** is located in the village Inchkhuri, known as bath place of Dadiani - Georgian family of nobles, dukes, princes and ruling dynasty of western Georgian province of Samegrelo . 700 meters circular hiking trail starts from the visitors centre and passes through **Dadiani's historic walkway**. There are 2 bridges, 3 viewing platforms, and 30-step historic staircase that is built from limestone staircase. Here you have the opportunity to take a trip by boat, 300 meters section of Abasha and enjoy the beautiful views of canyon. Overnight in Batumi

#### DAY 4 TOUR OF WESTERN GEORGIA

After breakfast in the hotel, check out from the hotel. Transfers from Batumi to Kutaisi way takes about 3 hours. Tour to “Capital of Western Georgia” – Kutaisi and its surroundings Beginning at 09:00 (Duration 6-8 hours)

Thing everyone should know while traveling in Georgia: Never try to steal a golden fleece from Georgian, otherwise he will forget about hospitality!

Georgia is a country of colors! It is colorful in every sense! The contrasts of cultures that travelers meet are so amazing and diverse that the impression remains, as if he had visited several countries at the same time. The surroundings of the Western capital - Kutaisi are majestic places that send us back to the Middle Ages, although no, even earlier! In general, this is not quite a “Wild West”, but no worse! And even better.

#### White Bridge

It is one of the most beautiful bridges in Kutaisi. Metal parts of the bridge, as well as railing, was painted white and the newly restored bridge was called a "white bridge". This place is for dating of lovers. The boys in order to prove their love had to jump from the bridge into the river. The men were judged by their jumping from the bridge.

#### Colchis Fountain

This Fountain perfectly represents our culture and history that counts millenniums! Here we can see Golden Lion of Trialeti Bronze Age Culture, Tamada statue, which is replica of original 7-6 centuries BC statue from ancient Vani city etc.

#### Gelati Monastery

One of the most important sites in Western Georgia. This is the center of the religious and cultural life of the West, and once, of the whole Georgia. The monastery, which was founded by David The Builder. The first academy of Georgia was established here. A place that is not just majestic, beautiful and peaceful, it is legendary!

#### Bagrati Cathedral

This is the place that symbolizes the unity of our people! The place that was included in the World Heritage List (UNESCO), but was reconstructed. Despite this, the place did not lose its greatness and beauty!

#### Green Bazaar

The smell of Georgian spices will lead you to this wonderful place, where is "almost everything." This is the main and rather ancient bazaar of the city, which is very interesting to walk, the main thing is not to lose your heads . Overnight in Kutaisi
